FOR TEX USERS

Word or rtf formats are preferred. Such formats enable on-screen subediting and the preparation of a 'pre-proof', when the editing can be checked before formal page proofs are prepared. If you have prepared your paper using TeX/LaTeX, please convert to PDF format and upload the PDF file in addition to the single .tex file at submission. We will convert the .tex file to Word and require the PDF for cross-reference purposes in case anything is unclear.

All textual material of the paper (including references, tables, figure captions, online methods, etc.) should be in electronic form, as a single .tex file.

Contact our subeditors at authors@nature.com for further help and advice on preparing text for publication.

ARTWORK — PRINT-ONLY FIGURES

Nature will edit figures to conform to house style and for clear reproduction in print. Standard figure sizes are 89 mm wide (single column) and 183 mm wide (double column); figures can also be a column-and-a-half width where necessary (120–136 mm). Please check the following points when preparing your figures.

Electronic figure formats

- ☐ Preferred file formats for line (or vector) artwork and graphs are unflattened EPS, postscript, PDF and Illustrator (AI) files
- ☐ Preferred file formats for photographic images are TIFF and Photoshop (minimum resolution 300 dpi). If you have created images with separate components on different layers, please send us the Photoshop file (.psd) with the layers intact
- ☐ For detailed guidelines and a full list of acceptable electronic formats, see http://www.nature.com/nature/authors/gta/3c_Final_artwork.pdf

When preparing and sending figures

- ☐ Text in an editable format and in sans serif font (Helvetica, Arial)
- ☐ Text and lines clearly visible when figure is sized for page: type size 6–8 point; lines preferably 0.5 point (0.18 mm)
- ☐ Colour artwork supplied in RGB (recommended) or CMYK formats
- ☐ Suggestions for cover artwork submitted, if desired
- ☐ Licence/permission obtained for any republished or redrawn illustrations

Email our art editors at art@nature.com for further help and advice.

ARTWORK — EXTENDED DATA DISPLAY ITEMS

- ☐ *Nature* does not edit these figures. Please ensure that you have followed our guidelines as closely as possible before submission (see http://www.nature.com/nature/authors/gta/3h_Extended_data.pdf). All Extended Data files supplied as 300 ppi images, saved as **EPS, JPEG or TIFF file formats only**, with colour images in RGB (recommended) or CMYK formats, and with each display item not more than 10 MB.

SUPPLEMENTARY INFORMATION

Nature does not edit online-only material. Please check the following points when preparing Supplementary Information:

- ☐ Discrete items of the Supplementary Information (for example, videos) referred to at an appropriate point in the printed text
- ☐ Separate text file ('SI Guide') provided with a brief description (file format and content, video legends) of each item
- ☐ We recommend that all Supplementary Information is supplied as a single PDF file, where possible.
- ☐ File size within the permitted limits for Supplementary Information.

See <http://www.nature.com/nature/authors/submissions/final/supinfo.html> for advice on preparing Supplementary Information.

E-mail authors@nature.com if you have additional queries.

Colour Charge Form – *Nature*

COLOUR FIGURES

Nature is committed to providing authors with the highest quality figures, and we use the latest techniques to achieve this reproduction. We recognise, however, that excessive colour figure and page charges can sometimes place an enormous burden on authors. We therefore charge authors a fee of £852/\$1291/€1147 for the first colour figure and £304/\$461/€409 per figure for additional colour figures. Authors will be charged in the currency that is most applicable to the corresponding author's address. (Please note that in EU countries VAT will be added if you are unable to provide us with your VAT details below.)

No author will be denied publication based on his/her inability to meet these charges. If we agree that colour is essential but you are unable to meet the costs, they will be waived if you explain the circumstances before your paper is published. Otherwise you will be billed after publication.

PLEASE COMPLETE AND SIGN THE SECTION BELOW AND RETURN A COPY OF THIS SHEET TO THE EDITORIAL ASSISTANT BY REPLYING TO THE EMAIL, WHERE THE LINK TO THIS FORM CAN BE FOUND. PLEASE NOTE: THERE ARE 2 PAGES TO THE FORM.
